

Sentribox2 235

The Sentribox2 range is the latest addition to the family bringing new models but keeping the same distinctive appearance and finish as the flagship patented XLOCK range. Features include twin hydraulic arms the same 1 lock 1 key operating system but with a 2 point horizontal locking system (instead of 4) and a lighter construction. Our new range offers the perfect solution when cost plays an important part in your box buying decision without having to compromise on design and appearance.
