

F442 FLAM/CHEM BOX

This new Sentribox2 addition to the family keeps the same distinctive appearance and finish of its predecessor retaining the same 1 lock, 1 key operating system. Designed to keep all chemicals and flammable liquids safe. Used throughout the UK with proven durability and good design including removable drip tray, warning sign and a host of other features included as standard in the price.

- Substantial construction from sheet steel
- XLOCK™ The whole system operates with 1 key in 1 lock with 1 turn
- 3 keys per box – every box has its own individual number for optional replacement key service
- Twin Fork lift channels predrilled to take Sentribox wheel kit
- Steel shelf
- Anti-jemmy bars all round
- Twin hydraulic arms for risk critical areas
- Patented mechanical safety stay in addition to the twin arms
- Drop down safety recessed handles
- Removable drip tray to collect spillage safely
- Louvred fume venting with flame arresting mesh
- Senti Red textured powder coated finish
- Full width split heavy duty piano hinge welded lid
- 1 year manufacturers warranty against faulty workmanship
