

X432D

The Stribox answer to losing smaller tools or fixings in the bottom of your box. A standard full size site box with a drawer below and 4 adjustable dividers as standard to keep things separate.

Our Flagship range of secure boxes featuring the patented XLOCK multi point locking system operating with 1 lock, 1 key and 1 turn has now been upgraded to keep up with the changing requirements of today's business, industry and public places. In addition to the 1 or 2 locking points offered by other box suppliers XLOCK has FOUR giving even more security and peace of mind. Twin hydraulic arms are standard on all XLOCK models showing the Stribox commitment to listening to the marketplace and delivering secure, well designed cost effective products.
