

X542

Our Flagship range of secure boxes featuring the patented XLOCK multi point locking system operating with 1 lock, 1 key and 1 turn has now been upgraded to keep up with the changing requirements of today's business, industry and public places. In addition to the 1 or 2 locking points offered by other box suppliers XLOCK has **FOUR** giving even more security and peace of mind. Twin hydraulic arms and a patented mechanical stay are standard on all XLOCK models (Excl X415/X515) showing the Stribox commitment to listening to the marketplace and delivering secure, well designed cost effective products.
