

X622-2000

Our Flagship range of secure boxes featuring the patented XLOCK multi point locking system operating with 1 lock, 1 key and 1 turn has now been upgraded to keep up with the changing requirements of today's business, industry and public places. The X622-2000 is our new biggest box ideal for sites, workplace or trucks has **SIX** locking points instead of the 1 or 2 offered by other box suppliers giving even more security and peace of mind. Twin hydraulic arms, a patented mechanical stay and drop down handles for safety are all standard showing the Sentribox commitment to listening to the marketplace and delivering secure, well designed cost effective products.

NEW UPGRADED LOCKING SYSTEM FOR 2020

- Substantial construction from sheet steel
- XLOCK™ The whole system operates with 1 key in 1 lock with 1 turn
- 6 point locking system 4 Vertical Hooklocks and 2 Horizontal locks
- Guaranteed key difference of 1:1000
- 2 keys per box – every box has its own individual number for optional replacement key service
- Twin Fork lift channels predrilled to take Sentribox wheel kit
- Anti-jemmy bars all round
- Twin hydraulic arms and tool mat
- Patented mechanical safety stay in addition to the twin arms
- Drop down safety recessed handles
- Covered power cable access point for charging tools in the box
- Senti Black textured powder coated finish
- Full width split heavy duty piano hinge welded lid
- 1 year manufacturers warranty against faulty workmanship
