

XLOCK Cabinet X1-1200

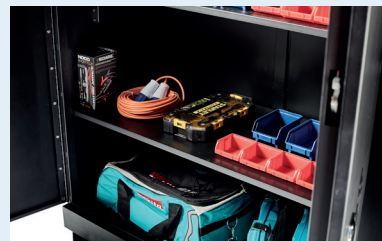

Our Flagship range of secure boxes featuring the patented XLOCK multi point locking system operating with 1 lock, 1 key and 1 turn has now been increased to include secure cabinets. With optional wheelkits they can be moved around the workplace and public places. In addition to the single locking points offered by other box suppliers XLOCK has **FOUR** giving even more security and peace of mind. With two adjustable/removable shelves and full width access the new Fittings Cabinets show the Sentribox commitment to listening to the marketplace and delivering secure, well designed cost effective products.
